

WISH LIST

Coburn Place relies on the generous support of friends and neighbors to provide a life-changing program to women and their children who are homeless due to domestic violence. Our greatest need is always for **financial support**. Your **financial gift** ensures women and children receive counseling, case management, and the educational support groups that they need to reach their goals.

In addition to financial support, we rely on in-kind donations to meet the needs of the families at Coburn Place. It takes a lot of linens and household goods to completely furnish 35 apartments! Donating budget-relieving items from our wish list is a great way to help families living at Coburn Place. **We also encourage you to visit our website at www.coburnplace.org to see an updated wish list that includes our current critical needs.** We would appreciate you calling before delivering donations. **Thank you for supporting families living at Coburn Place Safe Haven!**
